

Sharon Felton

Willenhall Candidate

About me

I have lived in a whg home for 20 years. My hobbies include reading, keeping fit and attending community events.

I worked in a local bakery in Willenhall for 20 years and I have also been self-employed.

Why you should vote for me

I am a Trustee and event co-ordinator volunteer for a community centre in Darlaston, which was brought to the community after the closure of Darlaston Multi Purpose Centre in April 2008. I took the role of Chair to bring together the new centre and applied for funds for the refurbishment and for new projects in the local community.

I feel that getting to know Willenhall Local Trust Members would be good for me, as all my volunteer work is in the Darlaston area, although I live in Willenhall.

Willenhall Candidate

About me

I am a keen gardener and I volunteer a lot of my time working with whg.

I have lived in Short Heath for 16 years and before that I lived in New Invention for 36 years. I have two daughters and I am a retired plasterer.

Why you should vote for me

Firstly, I would like to thank all the tenants that have voted for me in the past. I have worked alongside whg colleagues and the management team as Chair of Willenhall Board for ten years. I think I have the qualities and experience needed with all the help I have received from whg colleagues.

I would be delighted if you would give me your vote to carry on the good work we have already done.
