Building strong communities

Social value report 2021/22

Supporting our customers is at the heart of what we do. We are proud to be driving economic and social growth and building on the unique strengths of our neighbourhoods.

We do this by investing in emergency help to get households through hard times, developing long-term programmes to match local people to training and job opportunities and tackling the wider determinants of health to improve wellbeing and create stronger communities.

By working in partnership and seizing every opportunity, we can make a huge impact and help create sustainable and resilient communities.

This is levelling up in action and it is in our DNA – here are just a few highlights from 2021/22.
