

Rebecca Bennett Casserly

Corporate Director of
Development

Rebecca brings over 25 years of experience working within the affordable housing sector.

Having graduated with a Housing & Development degree, Rebecca started out in 1993 at Bromford Housing Group honing her technical specialism in development management, working throughout the Midlands and South West of England.

Between 2001 - 2016 she worked in the private sector, with national construction and property services provider Mansell Plc (a Balfour Beatty company) and with E C Harris / Arcadis; in both instances leading on solution / service development and growth in the affordable housing sector - working with local authorities, housing associations and residential developers throughout the UK. In 2016 Rebecca created Casserly Consulting Ltd to work freelance before joining whg in 2018.

As the Corporate Director of Development at whg, Rebecca is responsible for providing strategic oversight of development related growth and leading on whg's strategic partnership with Homes England.

In her spare time, Rebecca spends time creating "adventures" with her young son.
