

Procurement Information for Suppliers

The whg Procurement Team undertake tendering activity for goods, services and works in a number of ways. This includes using Framework Agreements or advertising contract opportunities on the following sites:

- For low value opportunities: [Contracts Finder](#)
- For high value opportunities: [Find a tender](#)

Upcoming [tendering opportunities](#) can be viewed on the Procontract etendering portal where you can filter for whg opportunities. Suppliers and contractors can register for free and set tender alerts once registration is complete.
